

SEA&SEA USA DX-1G WARRANTY AND SERVICE PROCEDURES

What to include when shipping your DX-1G product to the Repair Facility?

You should pack your product securely and safely and fill out the following return form(s) that include:

1. Return Address
2. Telephone Number and email address
3. Written description of the Problem
4. Copy of your Proof of Purchase from an authorized dealer (if still under the terms of the original warranty).

Please note that SEA&SEA warranty only covers factory defects. The warranties do not cover misuse or abuse, including tampering by unauthorized repair facilities or other persons, flooding resulting from customer misuse or improper care and maintenance.

We highly recommend the following procedures for shipping and handling:

1. Secure the product in the original box and packaging with all original items if available.
2. Ship using a traceable carrier such as UPS, Federal Express, United States Postal Service
3. We also recommend insuring your product via the shipping carrier.
4. Obtain a tracking number from the carrier for your reference.

Please note SEA&SEA is not responsible for products lost, stolen or mis-delivered by a carrier.

Where to Ship Your DX-1G Product for Servicing?

Send your product to one of the facility addresses below, dependent upon your requirements. After our service center receives your product and all required information you will be contacted with status of your repair.

PLEASE NOTE:

1. All DX-1G Warranty Requests are processed by SEA&SEA and require an RMA# and original packaging
2. Camera ONLY repair service requests are processed by C.R.I.S.
